From **16th to 18th of April 2024**, **Hellenic Centre for Marine Research (HCMR)** in collaboration with the Educational Organisation **I.I.E.K. MORFI** will host in Heraklion, Crete the anticipated **2nd Student Exchange** event proposed by the “**YOU4BLUE - Young generations for the sustainable blue growth**” project.

The **Erasmus+ YOU4BLUE** project aims to promote the development of a 'new' relationship between young people and their home environment, in order to enable students to be active citizens in their community.
